

Advanced Manufacturing Talent Investment Program and Fund

The Virginia Office of Education Economics Announces a Second Request for Proposals for the Advanced Manufacturing Talent Investment Program and Fund

The Advanced Manufacturing Talent Investment Program and Fund was created to increase the number of trained individuals entering advanced manufacturing careers and to improve the readiness of graduates to be employed in identified advanced manufacturing fields. Funds will be allocated to existing programs that serve the Hampton Roads and Southwest Virginia regions (GO Virginia Regions 1 and 5) and other named institutions.

Eligible programs may apply for grants between \$100,000 and \$500,000 for FY 2023–24. Applications will be accepted from March 1, 2024, through April 15, 2024.

Program Eligibility

- Programs must be related to advanced manufacturing.
- Programs must serve GO Virginia Region 1 or 5.
- Programs may be run by comprehensive community colleges, CTE programs, and higher education centers.
- Projects must expand or enhance an existing program.
- Projects must increase the number of trained individuals entering advanced manufacturing careers and/or improve the readiness of graduates to be employed in advanced manufacturing fields.
